SPORTING NOTES.
The opinion prevails in Chicago that Charley Murphy is still heavily interested in the Cubs, and that in a moment, it is said, he will appear at the residence of the National league managers there.

The Clippers of the West Side have organized for the season of 1914. The first game will be played Sunday, May 17 at 4 p. m. against the Greenwells of the East Side. The game will be played at the Fair Grounds. As the Clippers have a fast team a good game is looked for. The Clippers challenge any team in the city. The Federal, Bluebirds, A. C. Forest City, Bait, Wednesday Knights, Pirates, Norwich Town Warriors or Y. H. H. A. preferred. All dates are open. All teams wishing games should answer through the Bulletin or telephone 1193-1.

The Browns have been doing finely this spring, but Branch Rickey is not letting his players become unduly elated. First place is something he does not let his team take for granted. He has placed the team in a position where they can win, but he has also placed them in a position where they can lose. He has placed them in a position where they can win, but he has also placed them in a position where they can lose. He has placed them in a position where they can win, but he has also placed them in a position where they can lose.

Stonington High Defeated by Score of 10 to 5—Murray and J. Hull Played Great Fielding Game—Young Stars at Bat—Benjamin Forced to Leave the Mound.

The Academy baseball team turned the tables on Stonington High Wednesday on the campus. The game was loosely played with some heavy hitting by score of 10 to 5.

Young proved to be the boy with the war club, getting three singles that were of the most timely nature. The boys had chance for a triple play in the fourth inning when Eddie Murray pulled down a Texas leaguer with a man on first and second. As Mullen was not surprised at the feat that his mate pulled off he was not on the base to get the throw so second and third to first about two seconds too late. Joe Hull at the dizzy corner played a spectacular game, getting some hot ones right off the bat. Benjamin was removed from the mound during the third inning and was succeeded by Brickley who was hit free by.

In the lucky seventh accompanied by a wind storm the locals sent five runs across the plate with six safe singles. Up to this inning Stonington had the lead by one run. Captain Stanley first up drew a pass. Joe Hull claims the dust got in his eyes and swung at three wild ones. Murray singled. Young did likewise. Sammy Crowe died out. Mullen, Robinson and J. Hull singled and Pitcher Brickley hit a corker to the fence and Captain Stanley ended the rally by grounding out to Burdick. O'Connor, the Academy outfielder was on their job getting them all. Crowe had the left hander served up pretty tight, putting some hard ones out of the air.
